

'round town

with Betty Allen...

Although it can't be said that anything definite has evolved from the rejuvenated Chamber of Commerce as yet, the feeling of all those who attended yesterday's luncheon meeting was that at last the group was really "rolling."

There was a spirit of cooperation evidenced among the 40 there, which has often been lacking before in this group and other similar civic groups. There seems to be a happy blending now of the "old" and the "new" and a sincere desire for working together to get the things we really need for Campbell.

A total of 86 merchants and other interested residents have now joined the Chamber and the number is increasing every week. President Grim's main interest right now is getting a bank for Campbell. Two banks, the American Trust and the Anglo-Californian, have been approached and have turned down the suggestion of establishing a branch here.

Undaunted, Grim appointed a committee yesterday to contact other banks and make further efforts to secure this badly needed addition to Campbell's business life. Heading the committee is Carl Field who will be assisted by James Arends, Frank Accardi, William Maderis and Alfred Conley. The group met immediately after the luncheon to discuss plans.

Members agreed that more extensive lighting is badly needed and welcomed a man from the P. G. & E. who will work with Dan Clark, William Maderis and Seymour Wirth, Jr.

On the lighter side were the plans for a card party to be given soon for the purpose of raising money. This was more or less left to the women. Mrs. Charles Shaw will be in charge of it and will be helped by Mrs. Kenneth Gray, Miss Rachel Spradling and Mrs. Edith Anderson.

Although it doesn't sound very spectacular, perhaps one of the most important matters discussed was the necessity for stop signs along Campbell Ave. Mrs. Conley, secretary, will write the Board of Supervisors as a preliminary step in securing them.

High School Girl Injured

Marguerite Weeks, daughter of Mr. and Mrs. William Weeks, Prune Ridge Ave., was injured yesterday noon when she fell from the car in which she was riding. The Campbell senior left school at noon with a friend, Tom Barton, to pick up some pictures.

The car, a favorite with high school students and known as a "jalopy," was without doors. As the car swung about the corner at First and Sunnyside, Marguerite was thrown to the street.

The driver of the car, who attends San Jose Technical High school, immediately drove her to the County Hospital where it was ascertained that she was suffering from concussion and the possibility of a broken arm.

SON BORN TO BROWNS

Mr. and Mrs. Verne V. Brown are the parents of a son, James Wilton, born April 10 at Community Service Hospital.

School Trustees File For Election

Yesterday was closing day for the filing of trustees for the local school boards. There will be no competition for only one candidate has filed for office in each instance, according to Dr. O. F. Hubbard, County Superintendent of Schools.

At Campbell Union Grammar school, which has two vacancies, Lloyd Gardner has filed for reelection and Lee L. Anderson has filed to take the place of William R. Porter.

Raymond Bishop will run again on the Campbell Union High school board. At Union school the incumbent, Dr. W. R. Morgan, has filed and Mrs. Leroy Anderson, incumbent at Moreland school, will run again.

Voters in the district will elect trustees at their school elections Friday, May 16.

Hardball League Starts Saturday

The junior hardball league sponsored by the Campbell Co-ordinating Council, will get under way Saturday at 9 a.m. on the high school diamond. Scheduled for the initial meeting is a baseball "clinic," and a meeting to outline league rules. Coach Steve Cassalegio will conduct the clinic, assisted by members of his High School squad.

In addition to some fielding and hitting practice for the various teams, the juniors will see demonstrations of fundamentals by the high school nine.

The sign-up at the present time shows enough boy power for six teams. All areas of the High School District are represented, including Cambrian, Moreland and Union schools.

Coaches of the teams entered, parents, sponsors, and any others interested are urged to attend the session.

HIGH SCHOOL BUILDS NEW COURTS

Construction has begun at the Campbell High school on two new basketball and two volleyball courts. This building was authorized by the Campbell Union High School board of trustees, who felt that more recreational facilities were needed.

Local Girl Wins District Prize

Miss Gloria Surian, who won the local Poppy Poster contest sponsored by the American Legion Auxiliary, has been adjudged the winner of the 13th District and her poster will now be sent to department judges for further judging.

This was the second consecutive year that Miss Surian has won the first prize here. She competed with 13 other students of Miss Mary Lewis in the contest. Local judges were Mrs. William Sauter, Frank Cutting and G. Martin Allen.

Mrs. Knowles Entertains Board

Mrs. J. W. Knowles, past president of Campbell Grammar school PTA, entertained the executive board with a pot-luck luncheon, recently.

Attending the affair were the Mesdames L. W. Brown, W. M. Pfeffer, Robert Rees, F. B. Fossum, John Perata, Helen Rice, L. E. Cross, J. R. Longfellow, K. V. Spofford, Thomas Crow and the hostess.

The center of the luncheon table held a unique bouquet, lovely handkerchiefs with dainty hand crocheted edges in different colors, each guest being presented with a handkerchief, her choice of color. The board meeting was then held and Mrs. Thomas Crow, incoming president, was presented a corsage from Mrs. Knowles.

It Won't Be Long Now --- We Hope!

Campbell residents this week looked forward to the inauguration of a city mail delivery system, ending an era of central post-office boxes and confusion concerning local house numbers.

The new system, according to Postmaster Ira Grim, may go into effect soon, if current proposals are accepted. Delivery will be on a once-a-day schedule direct to all homes in this area.

In order to simplify the inauguration of the new procedure, Postmaster Grim has requested that all Campbell residents who may be confused concerning their home addresses call at the post office as soon as possible. Every effort will be made to simplify

Grammar School P T A Installs

The Campbell Grammar school PTA met recently in the school auditorium for the installation of officers. The business meeting was conducted by Mrs. J. W. Knowles, retiring president. Following the Pledge of Allegiance, Rev. F. T. Hamilton gave the invocation. Reports of the chairmen and committee members activities for the past year were presented and Mrs. J. W. Knowles gave her report.

The Campbell Union Grammar school Glee Club presented several numbers which were enjoyed. Mrs. Zaida White gave an interesting talk on "Remedial Reading," and Mr. William Henley, principal, addressed the group on the progress of the new schools.

Mrs. H. C. Grimes, president of the San Jose City Council, installed the new leaders. Taking office were: President, Mrs. Thomas Crow; first vice president, Mrs. J. R. Longfellow; second vice president, Mrs. Leonard Meritt; third vice president, Mrs. L. W. Brown; secretary, Mrs. W. L. Powell; treasurer, Mrs. Rabb; historian, Mrs. S. N. Hedegard; parliamentarian, Mrs. J. W. Knowles; auditor, Mr. Wm. Henley.

Committees are: Finance and budget, Mrs. W. P. Pfeffer; membership, Mrs. H. Rice; publicity, Mrs. Leonard Meritt; hospitality and room mother, Mrs. L. W. Brown; refreshments, Mrs. G. K. Schrader; magazine, Mrs. Felix Bersano; Parent education, Mrs. L. W. Cross; founders day, Mrs. John Perata; decoration, Mrs. Richard O'Flynn.

A lovely gift was presented to Mrs. J. W. Knowles on behalf of the members by Mrs. J. R. Longfellow.

Meeting was adjourned and the membership met in the cafeteria for refreshments, which were served by the second grade mothers and teachers.

Attending the Sixth District PTA annual convention from here were Mrs. Knowles, Mr. Henly, Mrs. Crow, Mrs. Kenneth Spofford, Mrs. Wayne Lenz, Mrs. L. E. Cross, Mrs. L. W. Brown and Mrs. J. R. Longfellow.

the procedure and to establish a definite plan for house numbers.

When the new system goes into effect, Grim said, residents will be required to make arrangements for adequate receptacles. Regulation mail containers will not be required, because of the existing shortage, but receptacles should be plainly marked for ready recognition by mail men, and for security of personal correspondence.

Residents of this area who for many years have trudged to the central post office for their mail were grateful to the postmaster for his foresight in recommending the new system.

TO SHOW ALASKAN SLIDES

On Tuesday evening, April 22, at 8 o'clock, at the Methodist church an interesting group of colored slides will be shown to those people of the community who have some acquaintance with Mr. and Mrs. Chester Latta, formerly of Campbell. Mr. and Mrs. Latta are now conducting a school in Sitka, Alaska, and the slides are illustrative of their life in the north. Any interested persons are urged to attend.

National Perlite To Expand

A \$400,000 expansion program, including 11 steel buildings over a four-acre site, was announced by the National Perlite Co. of Campbell this week.

Although at present the facilities include one building for manufacture, and office building and one horizontal stationary converter, the Perlite Company's proposed expansion program will include the addition of five converters. A total of 20 converters is scheduled for this area.

According to Joseph Fournier, president of the National Perlite Co., the organization was incorporated on August 30, 1946, for \$1,000,000, when 10,000 shares were issued at a par value of \$100. The company manufactures, for commercial uses, expanded perlite—made of glassy volcanic rock of rhyolite composition, containing from two to four per cent water. The rock, he said, has the ability to expand 15 to 18 fold upon proper heating.

Started after two years of experimental and development work, the Campbell organization owns four deposits of perlite and is now negotiating for additional deposits in California, Nevada, New Mexico and Arizona. At the present time, perlite rock is obtained from deposits in Modoc County, near the Oregon state line.

Projected employment in the Campbell plant will be in the neighborhood of 275, it was announced. With a dollar volume exceeding \$70,000,000, the productive capacity of the local plant will be more than six million cubic yards a year.

Perlite, according to Mr. Fournier, has been used as a lightweight ingredient in the making of stucco, plaster, wallboards, bricks and concrete materials. It also offers promise as an insulating material in several forms, being a non-conductor of electricity and both water-proof and fire-proof.

Thieves at Avila's

Prowlers last night gained entry at Avila's Market, corner of Hamilton and Meridian, and looted the place of the entire stock of bonded liquor and cigarettes.

Also stolen was \$451.01 in cash belonging to Folden and Hodges, operators of the meat market in the store.

The grocery and meat store, as well as the adjoining businesses, are now in the process of complete remodeling.

Mr. and Mrs. J. F. Watson, who celebrated their 60th wedding anniversary on April 11th

Club Honors Campbell Couple

Last Friday, April 11, Mr. and Mrs. J. F. Watson observed their 60th wedding anniversary at a gala party given in their honor by members of the San Tomas Improvement club. The occasion was celebrated in the club's new club-room and the elderly couple were presented with a large cake and a bouquet of roses.

A highlight of the affair was verses written by Mrs. R. R. Truwin, paying tribute to the unusually long married life of the Watsons.

The couple were married in Montrose, Colorado, and during the 60 years of their marriage have reared five children. They now have 25 grandchildren and 15 great-grandchildren.

Enthusiastic gardeners, they devote much of the time to their yard at their home on San Tomas Road. Both are active workers in the club which honored them and interested in all its activities.

Campbell Resident Faces Indictment For Mail Fraud

H. E. Longoria, about 60, of Campbell, consented before U. S. Commissioner Francis St. J. Fox yesterday in San Francisco to his removal to Shreveport, La., where he is under indictment on mail fraud charges.

Postal inspectors said the specific complaint which brought about his arrest here on Monday, was that of James H. Crawford, a waiter in a hotel (Senator) at Sacramento. Crawford said he had paid Longoria \$920 on representations that the man was engaged in oil drilling operations in Miller County, Arkansas. The representations were made, Crawford said, by letter from Ida, La.

Longoria will be brought back in court tomorrow for the formal removal order. He has been living in Campbell for some time.

Big Boy Market To Open New Addition April 24

The Big Boy Market, on San Tomas Road will open its new addition next Thursday, April 24, in a grand opening. Extended toward the rear is a new structure, 40 by 50 feet, which gives more store space and also permits the addition of a meat market.

Planned for immediate remodeling is the front of the store. Anthony and Angie Turturici have operated the Market for more than 10 years and now their brother, Ben Turturici, will have the meat market in the store.

Serving the San Tomas area, the store offers plenty of parking space and the latest in "serve-yourself" methods.

Local Schools To Observe Public School Week

The annual public school week to be held from April 28 through May will be observed at the Campbell Union High School in the same manner as last year.

On Thursday evening, May 1, parents and the general public are invited to attend an "open house." Each parent will be given a duplicate copy of his child's program and then attend short intimate classes.

During the "school day," an assembly will be held in the night school auditorium with music by the school orchestra. The girls physical education department will demonstrate folk dancing and tumbling.

Instead of lunch time in the day, refreshments will be served in the new cafeteria.

In conjunction with the nationally observed week, the first review of the new cadet corps will be held the following day, Friday, May 2, at 11 a.m. Sixty students will participate and, in addition to the school body, a large crowd is expected to witness the event.

Expected in Campbell to attend the review are representatives of the National Guard, the U.S. Army, and officers of the State Cadet Corps.

At Campbell Grammar school, the week will be observed with a program in the school auditorium, to be followed by class visitations of the parents' choice.

Kiwanis Club Hears Orchestra

Kiwanis club met at noon Tuesday with Pres. Budd Levenberg presiding. Lloyd Nelson acted as chairman and levied numerous fines. This was Lloyd's first appearance as chairman since joining the club.

The Campbell Grammar school orchestra, composed of 39 students, led by Richard Gordon, instructor, entertained with a splendid program consisting of two chorals by Bach and Isaacs, Dorian Mode and orchestra; overture, King's Highway, orchestra; trombone solos, Home on the Range and The Lost Chord, Dan Livesay; violin solos, Brahms's Cradle Song and Soltz Concerto No. 2, Gilda Mazzant, with Joyce Klassen at the piano; Lutsiel Overture and two guitars.

Wins Divorce And Alimony

Mrs. Evie Cauley, Campbell cannery worker, was awarded a divorce last week from her husband John W. Cauley, also a cannery worker, on the grounds that he had severely burned and cut her arms. Judge M. G. Del Muto awarded her \$75 a month alimony and she was permitted to resume her maiden name of Cummings.

The Cauleys had been married for 25 years. Carl L. Hubbell, Los Gatos attorney, represented Mrs. Cauley.

Legion Auxiliary Donates \$25.00

Members of the American Legion Auxiliary met April 9 and the past president, Mrs. Ray Wood, installed Mickey Struck as secretary for the balance of the year.

The group voted to donate \$25 to the cancer fund and also set May 10 as the date for the annual Mother's Day tea.

Mrs. Clarence Fagalde was appointed to help with plans for assisting Palo Alto hospital veterans. Helping her will be Mrs. Guy Smith, Mrs. C. L. Fairchild, Mrs. John Flatken and Mrs. Harold Peck.

Lobroviches Receive Contracts For Pro Baseball

Claire and Mitchell Lobrovich, the daughter and son of Mr. and Mrs. M. Lobrovich of Latimer Av., have both received contracts on the same day to play professional baseball. Mitchell's contract is with the New York Giants and Claire's is with the All American Baseball League of Chicago which is sponsored by Wrigleys.

Both the young people are well known in the Valley, having taken part in many athletic activities. Mitchell has played on the Santa Clara University baseball team and has just finished playing in the Winter League of San Jose for the Los Gatos Grill.

He is now studying Physical education at San Jose State following his graduation from Santa Clara University.

His sister, Claire, has had Baseball traveling experience before as she played with the Alameda All Stars in 1940 touring Canada and Detroit. She is also well known in the bay area where she has participated in many basketball games. At present she is playing with the Shooting Stars of Oakland.

Claire leaves this Saturday by plane for Cuba where the team is having spring training. After the training season is over, she will go with the team to Florida for some exhibition games and then to Chicago and the South.

Mitchell left yesterday by plane for Nevada. He has been at Santa Rosa training with the Giants.

Both the Lobroviches graduated from the Campbell Union High School.

Claire says that Bob Frietas, Red Sox Manager in San Jose, is responsible for securing her new contract.

Services Held For Mrs. Agnes Thielke

The many Campbell friends of Mrs. Agnes Thielke were saddened last week by the news of her death. Mrs. Thielke died in the Community Service Hospital following a sudden illness. Final rites were held Saturday at the Darling-Fischer Garden Chapel followed by interment at Oak Hill Memorial Park.

She was the wife of Arthur Thielke, who was for many years instrumental music teacher in the Campbell schools, and also gave private lessons. The Thielkes made their home on Hamilton Ave. between Leigh and Meridian. Since Mr. Thielke's retirement they have made their home in San Jose.

In addition to her husband she leaves a daughter, Mrs. Clarence Kay of Sunnyvale, and a brother, Charles Heitert of Portland, Ore.

Future Farmers Get New Tractor

Future Farmers at Campbell Union High School are feeling very pleased these days since their acquiring of a new Fordson tractor. The tractor is complete with discs, harrows, plows and all the other necessary attachments. Although the tractor was purchased by the school board, the boys intend to pay the board back for the equipment within a short time. This will be done with the money which they make from operating the small school farm and other farm properties which they lease.

This week a group of the young farmers went to Sacramento to pick up their new truck purchased from Army surplus. The truck, a van type, will be used as a mobile agricultural class, transporting the boys to their field work on the ranches. There is also plenty of room for equipment.

With the addition of the tractor and truck, the group is now well supplied with the latest in farm equipment. Last year a new spray rig was added to the department.

Box Office Reporter

In "The Show Off," coming Friday and Saturday to the Campbell Theater, Red Skelton proves that he doesn't have to go into one of those inimitable solo routines of his to furnish an audience with 90 minutes of satisfactory en-

tertainment. He proves it by playing the lead role in George Kelly's imperishable stage play without once taking leave of the character to play Red Skelton. What his millions of fans may think about this (and this one protests that at least one solo bit should have been indulged) remains to be seen but it's not to be denied that the job done is O.K.

The story, written this time by George Wells and produced by Albert Lewis, and directed by Harry Beaumont, concerns the well meant but bungling endeavors of one Aubrey Piper, a clerk who pretends infallibility in all things, to gladden and prosper the lives of his wife's family members. He gets them into various troubles before succeeding, after he believes he has failed, in putting over a business deal that puts them all on Easy Street.

Although the supporting cast is wholly competent, interest centers naturally on the role played by Skelton, who plays it with energy, emphasis and altogether successfully.

In 1946, 2,801,076 automobiles were registered in California.

Methodist Church Celebrates 59th Anniversary

To celebrate the Campbell Methodist Church's 59th anniversary next Sunday plans have been made for the church and Sunday School members to bring gifts for over-seas relief. The articles of used clothing and concentrated foods will be brought to the service as birthday gifts to people in Europe and Asia. On Thursday, April 24, the Adult Bible class, taught by Col. McBride, will pack and mail the packages.

The following articles are suggestive of the kind to be brought to the church next Sunday: Craft and shop tools, clothing, used but clean; shoes of all sizes; layettes; bedding, blankets, quilts, household linens, sheets and any type towels; sewing materials, goods, yarn, thread, needles, buttons; tools, garden and household; soap; rag dolls or animals; powdered concentrates, rice, powdered milk, coffee, tea, instant cocoa.

Legion To Select New Commander

At the last meeting of Campbell Post 596, Commander Carter announced that the time was nearing when his term of office would be concluded and urged the membership to give serious thought to selection of his successor.

The Post was honored by the presence of First Vice Commander of the 13th District, O. B. Averitt, who gave an interesting talk on the ideals and principles of the American Legion. His talk was of particular interest to the veterans of World War II.

First Vice Commander Pier introduced the following new members: Bernard Bennett, Albert Smith and Vernon D. Lunt. Also introduced was Clayton Clark of Pine Bluff, Ark., who requested his transfer to the Campbell post.

Comrade Lee reported that the Sons of the Legion had expressed a desire that the Post establish a sports program to be supervised by the Post. Comrade Dorothy Merriman spoke further on the subject and suggested that the Post set up a recreational program to include all local children. Bill Weeks stated that the suggestion would concur with the Legion Americanism program. Comrade Doyle Richey was appointed post representative to the Youth Coordinating Council.

GIVENS' FIXIT SHOP

25 South First Street
In Rear of Library

The Post is now the proud possessor of a picture of Mrs. Hedegard presenting the deed to the property donated for the Campbell Post's new home. The picture was donated by Barney Barrett.

It was announced that Ed Lee had recently been appointed as correspondent of Voiture Locale 365, Santa Clara County chapter of 40 at 8.

Comrades Fagalde and Knowles reported on the card party to be held May 3. Commander Carter announced that there would soon be a meeting of the building board and that the next meeting, April 23, would be a joint meeting with the Auxiliary.

Providence of God

The providence of God is taught in many passages in the Bible, but this article will deal with only one. It is found in Romans 8:28. Here we read: "And we know that all things work together for good to them that love God, to them who are the called according to his purpose." We observe two things concerning the expression, "all things work together for good." First, this passage, nor any others, does not deny that those who do not love God and therefore are evil, do not ever have things work to their advantage or good. We all know that many things work to the advantage of those who are evil, but at death he who is evil and has the good things of this life will certainly have punishment and torment, Luke 16: 19-25. Second, things that seem evil for those who love God at the time they happen often are definitely shown later, sometimes years later, to be for the good of them. It may be true, however, that there are things that happen to those who love God that they can never see any good in, but they believe that there is good in the "seemingly" evil things that happen to them even though they may never see it, for they walk by faith and not by sight, 2 Corinthians 5:7. Read also Hebrews 12: 5-13.

Now let us notice a lesson concerning the expression, "to them that love God." Who are those who love God? The answer is plainly found in 1 John 5-3, where it is definitely stated that the love of God consists of doing what He commands. What God has spoken for men in these days to follow is found in what Jesus commands, Hebrews 1:1-2; Hebrews 5:8-9, and what Jesus commands is of course found in the New Testament.

What Jesus commands in order to become a Christian is found in the following passages: Acts 16:31, to believe on the Lord, Jesus Christ; Acts 17:30, to repent of our sins; and Acts 10:47-48, to be baptized in water as described in Matthew 28:19; Acts 8:37-39, and Romans 6:3-5.

Veterans' News

"The woods are full of people who missed the boat when they chose a lifetime job—farmers who would rather be grocery store operators, machinists who would rather be farmers, lawyers who would rather be doctors."

This is the view of Col. John N. Andrews, personal representative of Gen. Bradley, who says the same thing might be happening today to some of the millions of veterans in training under the GI bill. Some of these former servicemen, he says, may have rushed into school or other training programs without a clear idea of their ultimate objectives.

This need not happen, Col. Andrews points out, for Veterans Administration, in cooperation with educational institutions, has developed nearly twenty vocational guidance centers for veterans in northern California alone. These guidance centers offer the services of trained counselors and the advantages of the finest aptitude testing and vocational guidance methods yet developed by American educators.

Veterans Administration does not seek to make up the veteran's mind for him on what he should do for a career. That decision, in the final analysis, is up to the veteran himself. V.A. guidance

centers merely help the veteran in finding his best aptitudes and the things he can do with most success.

All V.A. hospitals in northern California, the Naval hospitals in Oakland and at Mare Island, and the Army Letterman General hospital in San Francisco have V.A. guidance centers. Others are located in San Jose, Fresno, Sacramento, Marysville, Arcata, Santa Rosa, Chico, Kentfield, Auburn, Vallejo, Visalia, Modesto, Stanford University, University of California at Berkeley, Stockton, Oakland (Merritt School) and San Francisco (Galileo high school and 750 Eddy Street).

Question: My buddy and I both want to train to be radio repairmen. He entered training under the GI bill, but since I have a 30 percent disability rating I want to train under the Vocational Rehabilitation Act. Is it necessary for me to have my course approved by V.A. My buddy did not do so.

Answer: Yes. It is necessary for a V.A. guidance center to approve your course before you can start training under the V. R. Act. This approval is not necessary for veterans training under the G.I. bill, but guidance center services are available to all veterans in training.

Question: I obtained a G.I. home loan in June, 1945, and now would like to know if I may obtain a further loan guarantee under the amended G.I. Bill?

Answer: Yes. Evidently your loan guaranty under the original G.I. bill was \$2000. Since the act was amended in December, 1945, you are eligible for a further V.A. guarantee of \$2000 on a real estate loan, or \$1000 on a business or non-real estate loan.

Murdock Praised For Campaign

Praise for the local 1947 March of Dimes committee and the citizens of Campbell was received by John Murdock, chairman of the drive from B. B. O'Connor, president of the National Foundation for Infantile Paralysis.

Acknowledging receipt of the financial report from Campbell which raised \$260.15, O'Connor said: "Because of the good work of the citizens of your community and the efforts of millions of people all over the country, the fight against infantile paralysis will continue on every front."

"This March of Dimes campaign is a notable example of the American way of doing things. The American people, through the National Foundation, are unified to strike at polio and to protect our children. The March of Dimes will grow ever stronger and the battle against the disease will be waged until final victory is won."

"We are proud of the fine campaign you have conducted. Our national headquarters workers salute you for a good job well done."

SCHOOL MOTHERS TO HAVE CARD PARTY

Members of the Union School Mothers' Club for next Saturday, card party for next Saturday, April 19, at 8 p.m. Scene of the affair will be the Union school and there will be door prizes and refreshments.

Mrs. Viola Faria is in charge of arrangements for the party which is being given for the benefit of the school drum corps.

High School Students Eligible For Contest

David Snyder, director of physical education of the Oakland Public schools, and Frank Shattuck, councilman and civic leader for Oakland, have agreed to act as two of the judges in the essay contest sponsored by the Associated Sportsmen of California for California high school students.

They join with Ralph Scott, deputy attorney general of California, and Thomas C. Lynch, chief assistant district attorney of San Francisco, in selecting the four winning essays on "Why Fish and Wildlife Conservation is Necessary."

All California high school students 18 years of age or under may compete for the prizes. The first of which is an all-expenses paid trip for two persons for one week at Lake Tahoe. The other three prizes consist of valuable sports or camping equipment, one of which will be an outboard motor, the others of proportionate value.

Essays may not exceed 500 words, written clearly and legibly on one side of the paper. They must be postmarked not later than midnight of April 20, and winners must be able to attend the gigantic and colorful Sportsmen's Show in Oakland on Sunday, May 4.

The contest is being sponsored in conjunction with this show, April 25 to May 4. (The show, itself, is well worth attending since it demonstrates just how important recreation and sports are to this nation).

Essays should be sent to the Associated Sportsmen of California, Room 832, Pacific Bldg., 821 Market St., San Francisco. All entries become the property of the Associated Sportsmen and the decisions of the judges must be final.

GRADUATES FROM STANFORD

Donald Sylvester Macrae of Campbell has recently received his degree in Bachelor of Arts in the school of social sciences at Stanford university. He is one of the 228 students who graduated at the end of the winter quarter.

Campbell Court Notes

By Judge Blaine

This young man, about 32, had been arrested for disturbing the peace of an in-law. The in-law had been giving a temporary home to the young man's disgruntled wife who had said she was going to get a divorce. She was tired of living with a lazy and drunken husband.

In court the defendant said, "Oh, I guess I might as well plead guilty." He seemed indifferent and a little flippant.

Without comment the judge set time of sentence off five days, the limit under the law, and returned the young man to jail. After two days the judge telephoned to adult probation officer Max Watson, asking him to talk with the young man in jail and make a recommendation.

Mr. Watson's report was not encouraging. The defendant had blamed others for his own misconduct. A day or two later the defendant's mother called. She, too, was inclined to blame others; but she hoped the judge would give her son "a scare"—something that would frighten and not hurt, perhaps a "good scolding."

After five days in jail the young man was again brought to court. All his flippancy was gone. When encouraged to talk, he said "I'm all through with drink, and I really mean it. I don't want this kind of experience again, ever."

Said the judge: "I have in mind one year of probation—with a start of 30 days more in jail. But as Mr. Watson probably told you, a jail sentence won't do you much or any good if you resent it. If you resent it, all your suffering may be just so much for nothing. What do you think?"

"Mr. Watson told me that I should expect some time in jail. And I won't resent it. I want it to do me all the good it can."

"Your wife spoke of wanting a divorce."

"Yes, and I don't blame her."

"Mr. Watson will call on you now and then while you are in jail for a talk."

"I hope so. Good bye, Judge. Thanks a lot."

"Karnival Day" Benefit Planned

The Yugoslav Napredak club and Juniors of Cupertino are putting out all efforts to make their "Karnival Day" a huge success. The affair will be held in the beautiful Yugoslav Napredak auditorium on Lawrence Road in Cupertino on Sunday, April 27.

Entire proceeds of the affair will go towards the Red Cross for the purchase of two or more "jeeps" complete with medical supplies to aid the sick and needy in the more isolated spots in Yugoslavia.

Various concessions are planned with food being served during the day and evening. Special attractions during the day and evening will be music and dancing by the newly organized kolo group. There will be dancing for young and old, including music by the accordion and lirica, a national

instrument of Yugoslavia; for folk dancing.

The "Karnival" will commence at 2 o'clock and continue until midnight. The entire public is cordially invited to attend.

DAUGHTER BORN TO FALERS
Mr. and Mrs. William A. Falers are the parents of a daughter born April 8 at the Community Service Hospital. The new arrival has been named Maris Diane.

Silberbauer Is Elected District Deputy G. M.

Morning Light Lodge, No. 42, Independent Order of Odd Fellows, met last Thursday night in their hall with Charles Livingston, Noble Grand, presiding.

Walter Silberbauer was elected to be district deputy grand master for the year beginning in May. He will have supervision over the four lodges of the district consisting of Morning Light at Campbell,

Hartley of Los Gatos, Observatory and Garden City, both of San Jose.

Silberbauer has been in Campbell for a number of years. He is a past grand of this lodge and has organized many degree teams. His occupation is engineer for the Campbell Water Co. His wife, Bonnie, is a Past Noble Grand of Ada Rebekah lodge of Campbell.

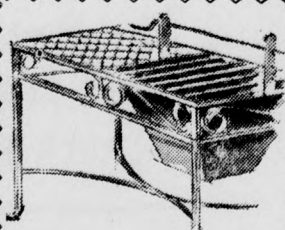

Delegates to Grand Lodge were elected. The meeting will be in San Francisco in May.

The Odd Fellows of California are completing the assembling of \$250,000 to erect a wing at the California Veterans hospital in Yountville. It will be an occupational therapy project and will be of untold benefit to war veterans.

Morning Light lodge has been operating continuously since its institution in 1894, and owns its own building at First and Campbell avenues. During the last four months 30 men of the community have been taken into the lodge.

This district has been given the unusual honor of appearing before Grand Lodge with a team composed of past district deputy grand masters and will confer the initiatory degree in San Francisco. It is only occasionally an honor of this kind is conferred and it will be fine for Campbell to represent the entire state in this degree. Any men elected to membership during the next month will be honored by having the degree conferred in Grand Lodge by this team if they so desire.

This Friday night members of Campbell lodge will journey to Cupertino for a round of a pedro tournament being played between lodges of Campbell, Saratoga, Los Gatos and Cupertino. The winning team will be guests of the losers at a turkey dinner.

Balkan Inquiry Nears End

The United Nations Commission investigating disturbances on the borders of Greece is nearing the end of its fact-finding journey which, sometimes by mule-back and jeep, has taken it through the heart of the snow-bound Balkans. Here the Commission is questioning one of the hundreds of witnesses heard on the spot, a political prisoner in the Pavlos Melos internment camp near the Greek city of Salonika.

Huge Increase In Alfalfa Seed

California produced 100,000 bushels of alfalfa seed in 1946, valued at \$2,190,000. This was a 40 percent increase in volume and \$900,000 in value over 1945.

This huge increase was the result of larger acreage and heavier yield per acre. Seed growers harvested 27,000 acres of alfalfa in the state in 1946, compared with 24,000 in 1945. Yield per acre was 3.7 bushels in 1946, and 2.5 in 1945.

Nationally, the 1946 alfalfa seed crop was the largest on record, 36 per cent above the year earlier. Increased production of several other legumes was reported by the USDA. (Agricultural Extension Service).

Green Grass Is Valuable

M. S. Beckley, of the Agricultural Extension Service, announces that one of the cheapest feeds for all types of livestock, including poultry is greens from fresh-cut lawns or pastures. A nutritional factor that is known as "X" at this time produces feed that keeps the animals on a high plane of nutrition. The Santa Clara Valley is approaching a long, hot, dry summer, and any form of green feed available through August and September will assist in carrying animals through at a reasonable cost even though it is a small acreage. Full information on the type of grasses, amount of water needed, and other problems can be obtained from the Extension Service.

New PTA Officers Installed

New officers were installed at the meeting of the Campbell High School P.T.A. Wednesday, April 9. They are: Mrs. Alfred Woltz, president; Mrs. R. C. Page, first vice president; Mrs. D. A. Sanders, secretary; Laurance Hill, financial secretary; Mrs. Eleanor Gleed, treasurer; D. H. Cramer, auditor; Mrs. J. G. Madeira, historian; Mrs. R. F. Flagg, parliamentarian. Mrs. Alfreda Runge, who was unable to be present, will serve as second vice president.

Mrs. E. Frederick Smith, state historian of the PTA, spoke to the group, emphasizing the point that being a parent should not stop when a child gets beyond grammar school age. She said "PTA work is important as it deals with children who are our hope of a successful future."

At the business session a letter from a group of Campbell adults interested in community recreation was read. The PTA voted to send a representative to the next meeting of this group.

Mr. Hill, high school principal, announced that public school night would be Thursday, May 1. He also

announced that a Cadet Review would be held at 11 a.m. May 2. Mrs. Clarence Fagilde reported that the parenthood class now being held in San Jose had been attended by several Campbell PTA members. She urged more to at-

tend. Mrs. J. W. Knowles stated that the first Thursday in May would be the date of the next home demonstration meeting, to be held in Saratoga. Mothers from Cambrian and Moreland were guests of the day.

Good Butter Made At Home

Rural people who have family cows will be interested in making butter at home because of the present high price.

Good home-made butter depends first upon a clean milk supply. Only good quality sweet cream should be used, and it should be pasteurized within 18 hours of milking.

Those who make butter at home can have good flavor, texture, and keeping quality if they follow directions in a circular of the Agricultural Extension Service prepared by Vera Greaves Mrak, nutri-

tionist. Methods are given which will produce high grade butter with the equipment usually available.

The illustrated circular describes equipment for making good butter at home, how to get ready for churning, pasteurizing and home storage of butter, and is available through the local Agricultural Extension Service, 201 Post Office Bldg., San Jose. For further information call Mary Loo Saunders, assistant home demonstration agent, or Winifred Jecker, home demonstration agent, Col. 3866.

"Though I'll concede there's some degree of authoritarianism, the fact remains that I am appointed by a democratically elected school board."

"Hello--tall, dark and gullible."

Sewing Circle Breakfasts At Lou's Village

Members of the Sequoia Sewing Circle auxiliary of Ne Tops Council of Campbell were guests at Lou's Village Wednesday, April 9. During the morning radio broadcast, Louise Reynolds received a birthday present and Rita Noyer, for her accomplishments as a seamstress, received a ticket to attend a fashion show at the Village.

Following the hilarity of the broadcast a delicious breakfast was served. Those attending were Elene Niles, Florence Wisler, Irene Hodges, Edith Anderson, Nell Franzen, Vivian Johnson, Ruth Living-

ston, Opal Hewitt, Rita Noyer, Tillie Reis, Mildred Shaves, Louise Reynolds, Azalea Shaw, Maxine Folden, Blanche Gilpatrick, and the two little mascots, Roger Hewitt and Marilyn Gilpatrick.

VISIT IN CAMPBELL

Week-end guests in the Schwab home were Mr. and Mrs. Jesse Miles and son, Gene, of Colorado Springs, Colo., and Miss Cora Rickert of Clay Center, Nebraska. Mrs. Miles and Miss Rickert are cousins of Mr. Schwab.

Social and Club Notes.. around Campbell

Campbell Girl Wed In San Francisco

The newly married Mr. and Mrs. Edward D. Seifert are now at home at the Virginia Hotel in San Francisco after returning from their wedding trip. The young couple were united in marriage April 3 in San Francisco and the bride is the former Miss Helen Minehart Fanning, daughter of Mr. and Mrs. Frank B. Fanning of Campbell.

During the war the new Mrs. Seifert served as an Ensign in the Waves and was stationed in Philadelphia. Since coming to Campbell she has been employed as a secretary at Radio Station KLOK. Recently she was elected president of The Good Friends, a newly formed group of young women meeting under the auspices of the Congregational Church. She is a niece of Mrs. V. L. Minehart and the late Dr. Minehart.

The bridegroom is expecting his release next month from the Armed Forces in which he served as a sergeant. For the past two years he has been hospitalized as the result of war injuries.

SURPRISE FAREWELL PARTY

Twenty-four members of the American Legion Auxiliary surprised Mrs. C. J. Menard and her daughter-in-law, Mrs. Cecil Menard, with a surprise farewell party at their home last week. The two Menard families left Sunday for East St. Louis to make their home.

Wedding Vows Exchanged Friday

The Tom Shaves home was the scene Friday afternoon of a charming wedding which united in marriage Miss Lois Bachman, daughter of Mr. and Mrs. Julius Bachman, and William Leon Walker of Pasadena.

Officiating at the four o'clock rites was the Rev. Lawrence Osborne of the Campbell Methodist Church and attending the young couple were the bride's brother and his wife, Mr. and Mrs. Milton Bachman of Irvington.

For the occasion the bride chose a dress of blue with brown accessories and large natural-colored straw hat. She wore a corsage of brown orchids and lilies of the valley and carried a French bouquet which had been arranged by her great-aunt, Mrs. Sarah Hestwood of San Jose.

Following the ceremony, the thirty or more guests enjoyed a reception in the garden. Serving at the affair were the Mesdames Jack Murdock, Bryce Whitmore and Walter Silberbauer.

On April 7, chairman of the day, Mrs. C. P. Klassen, assisted by Mesdames D. B. Pressler, J. D. Blaine, E. P. Blair, T. T. Cowper, E. F. Whistler and R. E. Schaeffe presented a very delightful program. Musical selections by pupils of the Campbell Union High school were enjoyed, also moving pictures of South America.

Decorations of lilac and spring flowers were used in the club room.

Annual Board Meeting Scheduled

The Country Woman's Club of Campbell will hold its annual board meeting April 21 at 2:30 p.m.

On April 7, chairman of the day, Mrs. C. P. Klassen, assisted by Mesdames D. B. Pressler, J. D. Blaine, E. P. Blair, T. T. Cowper, E. F. Whistler and R. E. Schaeffe presented a very delightful program. Musical selections by pupils of the Campbell Union High school were enjoyed, also moving pictures of South America.

Decorations of lilac and spring flowers were used in the club room.

CARD PARTY SCHEDULED

Members of St. Lucy's Women's club will have a card party on Friday afternoon, April 25, at the Parish Hall. Play will start promptly at 2:15 and there will be refreshments and prizes. Mrs. H. F. Cousins is in charge of the affair and is being assisted by Mrs. Ira Grim, Mrs. J. Kurtner and Mrs. J. Metcalf.

RECEIVES HONOR

William Page, son of Mr. and Mrs. R. C. Page, Winchester Road, is now a member of the Honor Society at the University of California at Berkeley. In addition to being one of the four per cent of the student body chosen for this, he serves on the activity committee of the group.

Exchange Vows In Garden Wedding

The Church of Christ parsonage garden was the scene Saturday of a charming outdoor wedding which united in marriage Miss Patricia L. Barrett and Mr. Arnold Lee York. The ceremony was performed by F. T. Hamilton, minister of the Church of Christ, and was followed by a reception in the garden.

Attired in a white net bridal gown with train and veil, the bride carried a bouquet of baby white roses and calla lilies. She was given in marriage by the bridegroom's father.

Attending the bride were two bridesmaids, Miss Betty York, sister of the bridegroom, and Miss Denny Catron. Miss York wore a gown of pink taffeta and Miss Catron was dressed in blue net. Both carried blue, white and pink bouquets.

Little Miss Flora York made a charming flower girl and the bride's train was carried by little Miss Margaret Newton.

Performing the duties of best man was the bridegroom's brother, Cortney York. Richard Lunt served as usher.

The bridegroom's mother chose for the occasion a blue crepe pin stripe complimented by a corsage of spring flowers.

Mrs. Willa Baker Barrett of Oklahoma City is the mother of the bride. Her father, Claude Barrett, is also a resident of Oklahoma City. Neither was able to be present at the ceremony.

Mr. and Mrs. Jake York of Campbell are the parents of the bridegroom who has recently been released from the Service after three years in the Navy. The young couple are now at home on York Ave.

SENIOR BALL FRIDAY NIGHT

One of the most important of the social events stemming from the Campbell High School will be held tomorrow evening at the San Jose Woman's Club in San Jose. It's the Senior Ball and will be semi-formal. The dancing will begin at nine p.m. with Kenny Taix's orchestra furnishing the music.

On the committee in charge of arrangements are Margaret Currie, Marjorie Livingstone, Wayne Buck, Loren Sylva and Ronald La Mar.

Jack McCarthy Takes Bride

Honeymooning in Southern California after their marriage last Thursday, April 10, are Mr. and Mrs. Jack T. McCarthy. The bride is the former Lucille Eleanor Bell, daughter of Mr. and Mrs. Joseph George Bell of San Jose, formerly of Shanghai, China.

St. Joseph's church in San Jose was the setting for the 10 a.m. nuptial mass uniting the couple, who exchanged vows before an altar decorated with tall tapers and white Easter and calla lilies. Father Gerald J. Nagle, S.J., officiated at the double-ring ceremony.

The bride is a graduate of St. Mary's Convent, Michigan. For her marriage costume, she chose a dusty rose peplum suit with matching accessories. Her off-the-face hat of natural straw was trimmed with pearl-dotted veiling, and she wore a two-strand pearl necklace, her only jewelry. Bouvardia and orchids fashioned her shoulder corsage.

The bride's sister, Marie, was the only attendant and was attired in a suit of gold wool, complemented by brown accessories. Her hat was of natural straw with brown veiling and her corsage was of pink carnations.

Mrs. Bell, mother of the bride, wore a navy suit with white and navy accessories and a corsage of pink roses. Mrs. Frank J. McCarthy of Campbell, mother of the bridegroom, was attired in a spring print with black accessories and also wore a corsage of roses.

Christopher Bell, brother of the bride, performed duties of altar-boy, and Frank, McCarthy, twin brother of the bridegroom, served as best man.

The ceremony was followed by a wedding breakfast at the home of the bride's parents, at which members of the bridal party and relatives feted the newlyweds. A special guest was the bride's aunt, Mrs. J. Ward, who arrived in San Francisco from Shanghai last Tuesday and who departed for Washington, D.C., following the ceremony.

Mr. Bell, father of the bride, was unable to attend the wedding since he is in China on business.

The bridegroom, son of Mr. and Mrs. Frank J. McCarthy of Campbell, is a graduate of Campbell High school. He attended California Polytechnical college at San Luis Obispo prior to entering the Army, where he served for three years in the famous 101st Airborne division. At present he is employed at the Westinghouse Electric plant in Sunnyvale.

RETURNS FROM HOSPITAL

Mrs. George Arlidge returned home Monday from the hospital and is recuperating slowly but satisfactorily.

CLUB WOMEN BUY CHAIRS

Mrs. Helena Hughes drove a committee from the Country Women's Club to San Francisco Tuesday to look for new chairs for the clubhouse at the War Assets Surplus Properties Headquarters.

Making the trip were Mrs. H. F. Cousins, Mrs. Edna Smith and Mrs. Lloyd Selig.

Antique Club Visits Homes

On Sunday, Mrs. Paul Larkin took members of her antique club to visit the homes of Mr. and Mrs. Clifford Conly and Mr. and Mrs. W. R. Caldwell on Bohlman Road in Saratoga. Particularly interesting to the visitors were the large collections of antiques, and the attractive gardens surrounding both homes. One is a cleverly converted barn.

On returning to Campbell, Mrs. Larkin was hostess at tea for the group in the home of Mr. and Mrs. R. Higginbotham on the San Jose-Los Gatos Road.

Leaving For Sweden Visit

A family group of seven will leave next week for an extended visit in Sweden. Making the trip will be Mr. and Mrs. John Benson, Hamilton Ave.; their nephew and his wife, Mr. and Mrs. Eric Benson of San Jose, formerly of Campbell; and Mr. and Mrs. N. G. Nelson and their daughter, Ruth, of San Jose.

The party will drive to New York and embark by boat May 9. They expect to return during September. While there, they will visit Mr. John Benson's parents, whom he has not seen for more than 14 years.

Anna Nelson To Be Bride Sunday

On Sunday at Emmanuel Lutheran Church in San Jose Miss Anna Jane Nelson will become the bride of Roy H. Anderson in an attractively-planned ceremony.

Miss Nelson is the daughter of Mrs. Anna G. Nelson of San Jose and sister of Clarence, Milton and Lloyd Nelson of Campbell.

The bridegroom-elect is the son of Rev. and Mrs. T. Anderson of Alabama. For the present the young couple will make their home in Campbell.

U.N. Facts and Faces AUSTRALIA

AUSTRALIA

Norman J. O. Makin

Occupying the whole of a continent approximately as large as the U.S.A., Australia is a self-governing dominion in the British Commonwealth of Nations. Her area is nearly 3,000,000 square miles, her population about 7,500,000. Politically, Australia is a federation of six states and two territories, one of them containing the federal capital of Canberra. Australia is a two-year member of the Security Council, and an administering member of the Trusteeship Council of the United Nations. Her delegation to the General Assembly was headed by Norman J. O. Makin, Ambassador to the U.S.A. Her flag, which can be either red or blue, shows a Union Jack in one corner and has the Southern Cross plus one other large star on its field.

Moreland Notes

By Phyllis Monroe

MORELAND STUDENTS MAKE GOOD SHOWING IN SPELLING BEE

Although Moreland's representatives did not win the county Spelling Contest held last Satur-

day, parents, teachers and students have every reason to be proud of them.

Donnie Montmorency and Gwen Robertson competed against 29 students from various schools and it wasn't until the final rounds that the girls went down. In fact, they were among the final ten pupils to vie for the championship.

Just to show how even the competition was, the final five contestants proved to be the winners of last year's contest.

The winner this year was Shirley Ann White of Los Gatos, who

placed third in the state contest last year.

A small crowd, composed mostly of students and advisors, attended the spelling bee, but Moreland did not lack anything in moral support.

Mr. and Mrs. Montmorency, parents of Donnie, Mr. Robertson, father of Gwen, Mr. Brown, the teacher, and Jeanie Peterson, her father and sister, were there.

All the contestants were complimented by Dr. Lillian Billington, author of the State Speller which is used as the spelling tests in California schools. Dr. Billington also awarded the prizes.

STUDENT COUNCIL MEETS

Moreland Student Council met last Friday in the first session since the merit system went into effect. The meeting was conducted by pupils with Michele Chiechel presiding. Mrs. Baker, principal, acted as advisor. From all indications, this system is producing results, at any rate the pupils appear to be more watchful of their conduct on the school grounds and in the halls.

Report cards go out next Monday, April 21. This is the last time before the final reports are made.

ENTERTAINS FIFTH GRADE

Master Gene Morgan, son of Dr. and Mrs. W. R. Morgan, was host today at his Blossom Hill Road home to members of the Union school fifth grade. The occasion was his tenth birthday.

TO MOVE HERE SOON

Mr. and Mrs. Carl Nath expect to move into their new home on Latimer Ave. soon. They are at present in San Jose.

Mr. Nath, who is employed by the Retail Credit Co. of San Jose, served as a lieutenant commander in the Navy during the war.

Samuel Brannan's newspaper at San Francisco announced the gold discovery of 1848.

Local Scouts To Participate In Merit Badge Show

The two-day Merit Badge show at the San Jose Civic Auditorium on April 17 and 18 will be an action event. This county-wide Scouting display is being produced by the Santa Clara County Council and sponsored by the Junior Chamber of Commerce.

Over 2000 Cub, Boy and Senior Scouts will participate to show the activities of Scouting to the public.

Merit badge exhibits will be displayed by 23 Scout troops on the auditorium floor. The units that will set up booths are: Troops 7, 10, 11, 13, 17, 21, 25, 38 and 41 from San Jose. Los Gatos will be represented by Troops 2, 39 and 55. Campbell has one entry, Troop 31. Almaden area boys in the show are members of Troop 9. Pala School District has two entries. Troops 14 and 16. Troop 49 is registered from Saratoga, and Santa Clara Troop 42 has signed up for an exhibit.

Troop 34 from the Cambrian area entered, and Troop 36 from Morland District is listed for a display.

Gilroy will be represented by Troop 62; Sunnyvale by Troop 83, and Cupertino by Troop 84.

Cub Scout demonstrations, displays, and exhibits will be conducted by six Cub Scout Packs. Three packs, 3, 21 and 22, are from San Jose. Pack 2 from Los Gatos, 31 from Pala, and 35 of Morgan Hill are representing other county communities.

Two San Jose Sea Scout Ships, 40 and 59, have spots on the two-day program that will display Sea Scout activities and seamanship.

Troop 50 of San Jose is preparing a knot-tying demonstration that will illustrate a popular phase of Scoutcraft work.

Bids Opened By W. A. A.

War Assets Administration opened bids in San Francisco last week for 18 parcels of land used during the war for the Kirkland railroad yards and announced that several offers are above the fair market value and probably will receive recommendations of acceptance when a report is made to the Washington office.

Recommendations of the regional WAA office will be made after thorough study of the uses which the bidders propose to make of the land, and analysis of the offers. Final decision will be made by the Washington WAA board of awards.

Nine bidders made a variety of offers for all of several choices among the parcels offered. Walter H. Sullivan, Jr., deputy regional director for WAA real property disposal, said bids were as follows:

N. Cervelli and Co., San Francisco, bid \$30,879 for Parcel 24, or \$1.50 per square foot. Fair market value had been set by WAA at \$1.20 per square foot.

Habenicht and Howlett bid \$35,751 for Parcel 12, a bid of \$1.90 per square foot as against a fair market value of \$1.75. The firm also offered as alternate choices \$35,541 for either Parcel 10, 18 or 16; \$30,733 for Parcel 11 or 17; and \$29,278 for Parcel 23.

Nunzio Aliota offered \$30,250 for Parcel 19, which equalled the fair market value established of \$1.60 per square foot.

James McBride offered \$6,371.66 for Parcel No. 24. (Cervelli and Co. bid \$30,879).

The Lurie Co. offered \$280,000 for the entire property of 346,184 square feet, or 81 cents per square foot. Fair market value varies from \$1.50 to \$1.75, average \$1.61.

Pacific Gas and Electric Co. offered \$340,308 for Parcels 7 to 18, about \$1.50 per square foot, as against \$1.61 of fair market value.

R. P. Paoli and Co. bid \$1 per square foot for Parcels 7 to 24, inclusive, or \$346,184. It also bid \$1.115 per square foot for Parcels 19, 20, 21, 22 and 23, or \$110,069.46 total.

The Ed Hueck Corp. bid \$57,214 for Parcels 21 and 22, at the rate of \$2.01 per square foot. Fair market value had been set at \$1.60. The corporation also made alternate bids of \$61,520 for Parcels 19 and 23, or \$63,950 for Parcels 15 and 18.

Davis Hardwood Co. bid \$47,265.63 for parcels 14 and 17 and offered \$45,000 for parcels 8 and 11, both below the fair market value.

The W. A. Smith Contracting Co. is removing railway trackage and buildings, leveling the lots, re-opening streets and paving them. It agreed to pay the government \$54,000 for the rails and buildings and do the required work on the property without charge.

READING & WRITING

BY Robin McKinn

Into the cellar of a bombed house in post-war Vienna, came Rev. Hoseah Washington Smith, a Negro Chaplain with the U. S. Army. He brought tracts for the purpose of "re-education"; he left with his pockets emptied of all personal possessions—and a feeling both of guilt and responsibility for what he found.

There were six children living in that basement, dirty, ragged, emaciated, victims physically and mentally of Nazism. Ringleader among them is Yid, a boy of 13 whose concentration camp experiences have aged him to uncanny wisdom. At 14, Goy's interests run to stealing, setting fires, and occasional murder; Eve is a child prostitute, like her friend Ate, who had betrayed her parents to the Nazis. Tiny, the youngest, is dying of starvation.

It is their story which Robert Neumann tells in "Children of Vienna." This would be hard reading, even if one could reassure oneself that Mr. Neumann had made it all up out of his head. It is agonizing, knowing that the author's "fiction" is based on the actual fate of countless thousands.

As a premium book to new members, the Book-of-the-Month Club is sending out a handsome four-volume boxed edition of the tragedies and comedies of Shakespeare, colorfully illustrated by Fritz Kredel and Warren Chappel.

From Philipp Frank's biography, "Einstein," comes a story of a Princeton mother, who was worried by the absences of her ten-year-old girl. The child explained, "I had trouble with my homework in arithmetic. People said that at No. 112 there lives a very big mathematician who is also a good man. I went and asked him if he would help me. He was very willing and explained everything very well." In distress, the mother went to Einstein to apologize for her daughter's boldness. She was told, "You don't have to worry. I have certainly learned more from the child than she from me."

Ada Rebekahs Regular Session

Ada Rebekah lodge of Campbell met in the IOOF hall April 15 with Catherine Kilgallen, Noble Grand, presiding. Ruth Zimmer was appointed to attend a meeting to be held in behalf of the proposed San Jose Community Service Hospital, Friday, April 18. Irene Hodges volunteered to serve as representative at the Campbell Recreation program meeting. Sister Abbie LeCroy was accepted into the lodge on a transfer. Virginia Currie read a report on the progress of the children's home in Gilroy. The next meeting, May 6, will be initiation night and two candidates are to receive obligations. Drill practice of the degree team was called for Sunday, May 4 at 12:30.

Following the business meeting members engaged in a game for the entertainment of all sisters and brothers who had birthdays from January to June. Refreshments were served by Catherine Kilgallen, Dora Bernadacci, Jessie Silberbauer, Ruth Zimmer, Lois Mileham, Irene Hodges and Anamae Periera.

Moreland PTA Installs Officers

Moreland PTA held its installation meeting Tuesday afternoon, April 8. Mrs. E. Reynolds of Los Gatos, president of El Paradiso Council, acted as installation officer. The new officers are:

Mrs. G. Robertson, president; Mrs. R. Allinger, vice president; Mrs. G. Baker, second vice president; Mrs. E. Spino, secretary; Mrs. C. Spatafore, treasurer; Mrs. B. Brown, auditor; Mrs. F. Smith, historian; and Mrs. R. Fuller, parliamentarian.

The meetings have been changed from the first Wednesday of the month to the third Wednesday.

The members of Moreland PTA gave Mrs. Hansen, outgoing president, a farewell breakfast at Lou's Village, Tuesday, April 8. Mrs. Hansen, the first president of the newly-formed PTA, was presented a pen and pencil set as a token of appreciation.

Walnut Trees Injured by First 1946 Fall Frost

The Agricultural Extension Service office is receiving an average of four phone calls a day from walnut growers regarding dieback or non-leaving out of many of their trees this spring. Two members of the local Extension Service staff have been making numerous calls in relation to these phone calls, and have found that the injury is winter kill caused by the first severe frost last fall, while the trees and branches were still green and succulent. If growers will think back to last fall, states Farm Advisor L. C. Barnard, they will remember that the first frost was a severe one which froze the green leaves on the trees and in some cases froze the outer green husk of Franquette walnuts which had not been harvested. Owing to the fact that the trees were not dormant yet and had received no preliminary hardening off process by mild frost the first frost, which was very severe, caused more damage than otherwise. The injury to the twigs and branches, how-

ALL UNDER AGE 80 - ELIGIBLE TO APPLY

Persons between 1 and 80 are now eligible for registration under the Keech Plan to Eliminate Funeral Expense. Those registering pay a few cents a day into the fund of the Plan's admitted legal reserve insurer. You may include all members of your family. In time of need, regardless of how little has been paid in, the Keech Plan pays the funeral expense. For free information write Box 75, The Campbell Press.—pd. adv.

NEW CHURCH MEMBERS

Last Sunday the following people were received into membership of the Campbell Congregational church: Mrs. Winifred Goodell, Shirley and Margaret Goodell; Barbara and Mary Lloyd Hollingshead, Marvin Scarper, Betty Williams, Leland Jones, Jr., and Patricia Gilbert.

Preceding the reception of members the following persons received the Sacrament of Christian Baptism: Shirley Goodell; Barbara and Mary Lloyd Hollingshead, Marvin Scarper, Leland Jones, Jr., and Betty Williams. Guests at the morning service were Bethel 129 of the International Order of Jobs Daughters.

Easter Week At Santa Cruz

By Margaret Currie

Easter week the Gomez cabin at Santa Cruz was the scene of a gorgeous vacation for the Horizon club girls. Jeannette Gomez, Marilyn Ott, Betty Larkin, Jeanne Currie, Audrey Berglund, Shirley Goodell, Regina Smith, Joan Sanders and Margaret Currie were the cabin's inhabitants from Sunday until Thursday. Mrs. Hill and her son, Archer, also survived the week. Marilyn Ott, who was in charge of food, planned a very good menu and all the girls turned out to be excellent cooks.

Among the delicious food prepared were home-made biscuits by Marilyn Ott. Some of the girls who went fishing Wednesday morning ended up eating all 11 of the fish caught for breakfast Thursday. It was a fine week and everyone had a good time.

Fellowship Plans To Be Outlined

This Saturday, representatives from Pilgrim Fellowship groups of the Santa Clara area will meet at the Congregational church to lay preliminary plans for their summer camp program. Pilgrim Fellowship is the Congregational young people's organization. The young people from this area will meet at Camp Gazadero, which is in the Russian River country close to Guerneville, June 21-28.

Last Wednesday evening the Congregational church had its monthly social. Mrs. W. H. Scott was chairman of the committee in charge of arrangements.

Orchard City Grange To Meet

The Grange will meet in Odd Fellows hall Tuesday evening, April 22. Plans are under way for initiation in the first and second degrees. A large class is in readiness for the work. Werner Raab is the first and second degree master. A full attendance is desired.

ever, did not show up until this spring. Usually it is on the south side of the trees and where the sun hit them the first thing in the morning.

Caution: The best method of handling these frost injured trees is to wait until late summer or early fall to prune out the injured wood. By this time there will be no guess work as to how much of the injured wood will recover. Growers can avoid a repetition of this type of injury by getting their irrigations on earlier in the fall so that growth will harden up and go dormant sooner.

Garden Club Has Second Meeting

The Campbell Garden Club held its second meeting at the home of Mrs. Hazel Dell Wilson, Wednesday, April 9th. Her home was beautifully decorated with spring blossoms.

Mrs. Harold E. Peck, General Chairman, called the meeting to order. Roll call was taken. Eight new members were introduced, among them, mesdames; M. Lobrovich, Bruce Wiley, H. J. Harder, Martin Walsh, William Kern, Charles Schmidt, Fred Jones, Sr., and Frank Shank, making the membership now 44. There were thirty-three members and two visitors, Mrs. Pratt, and Mrs. A. Jacobson present.

Mrs. Wilson read an invitation to the club from the Santa Clara Iris Club show, to be held April 16. An invitation was also extended for the Belermine Mothers flower arranging show, to be held April 22.

It was voted to keep the chapter open one more week, and it will then be closed at the next meeting, April 16.

Various Garden books were discussed, and a committee of four was appointed to choose two suitable books. On the committee are Mrs. Nelson, Mrs. Lobrovich, Mrs. Florine Peake and Miss Marian Peake. The committee will meet at the home of Mrs. Peake, Thursday evening.

Mrs. Bertha Rice, chairman of the Santa Clara County Direct Relief to China, appointed Mrs. Harold E. Peck chairman of the Campbell district for Direct Relief for China, and the club discussed helping obtain clothes, cereals, tin canned foods and dried fruits. The members will donate what they can. Mrs. Peck's home will be headquarters for any donations.

Mrs. Hannah Barber spoke on the proper care of tuberous begonias, divisions and seeds.

Mrs. Marion Burk Pratt, guest speaker, spoke on fushias, their history, growth and habits.

PUBLIC INVITED TO CARD PARTY

The public is invited to attend a card party tomorrow evening, April 18, sponsored by the St. Lucy's Evening Guild. Play will begin promptly at 8 p.m. in the Parish Hall. Hostesses for the affair are Mrs. J. Engel and Mrs. V. Faulkner.

Pocahontas Group Plans Dinner

With Pocahontas, Irene Hodges, presiding Netops Council, Degree of Pocahontas convened on Friday night April 11 in the I. O. O. F. Hall. Preceding the regular meeting a dinner will be given in honor of the Great Pocahontas, Margaret Mooney, who will be making her official visit to the council. The dinner will be in the Tennessee Inn, 80 South Second Street.

There will be a card party on May 23, and Sharon Parker is chairman of the committee. The public will be invited and a gala time is promised for all.

The Council's degree team will trail to Saccarrappa Council in Palo Alto May 27, to perform the adoption ceremonies for the Councils in Stella Eli's Zone.

The degree team and escort team practised after the meeting and then refreshments were served by Sharon Parker, Bertha Hindle, Margaret Benton, Edith Yearwood and Irene Hodges.

Visitors of the evening were Mrs. Rose Gray, and Mr. and Mrs. Jim White of Zanetta Council.

KILL KARE KLUB MEETS

The Kill Kare Klub of the Methodist church will meet at the Parsonage tomorrow (Friday) night. Mr. P. L. Bower is the president of this group, and he announces that this social group of the church is open to any adults who wish to attend.

BLUEBIRD FESTIVAL

The Fireflies, a Bluebird group under the direction of Mrs. C. David Baxter, will practice every day next week for their part in the Santa Clara County Bluebird Festival to be given April 27 in San Jose. The Fireflies are doing a gay little schottische imitating Spring flowers dancing in the breeze. Bluebird mothers have been busy dyeing and making costumes in pastel shades.

VISITS HERE

Mrs. A. E. Morrison from Glendale, and her brother, Forrest Baker, from Baxter Springs, Kansas, were guests of their aunts and uncles, Mr. and Mrs. Phillips, Clara Eagleston and George Clancy, of 152 Railroad Ave.

Plans were made to serve at the lodge meeting May 6.

Following the business meeting the members enjoyed dutch whist, after which refreshments were served.

Brown, Grace Gardner, Virginia

Members present were Mary Currie, Ellen Arnold, Anna Bachman, Ruth Livingston, Alice Lathrop, Edith Morley, Ivy Triplett, Lillie Carney, Jessie Silberbauer, Theresa Brydon, Lottie Rice, Myra Payne, Bessie Merrill, Lillian Olsen, Bonnie Silberbauer, Thelma Whitmore, Eva Dahl and the hostess.

The next regular meeting will be April 24 at the home of Alice Lathrop on Winchester Road.

Puppy To Be Door Prize

One of Mrs. William Ammon's Dalmation puppies will be a door prize at the San Jose Kennel Club show in San Jose on Saturday and Sunday. Mrs. Ammon is deeply interested in her hobby and has won several ribbons in bay area shows. She will have two entries in this week-end's show. Evidence of growing interest in the Kennel Club is shown by the more than 200 entries over those of last year.

Class To Honor Penn State

Next Sunday, Col. James McBride's Sunday School class at the Methodist Church will honor Pennsylvania. Last Sunday the class had California Day and all those born in California wore golden poppies. C. Horn read a short history of the state.

Campbell Renames Hill As Supt.

Laurance Hill was unanimously re-elected principal and district superintendent of Campbell Union High School at the April meeting of the Board of Education. He was voted a four-year contract.

Hill was selected for a probationary year in the spring of 1946, after resignation of James Dent, whom Hill had followed as vice-principal of San Jose High school. Dent went from Campbell to Vallejo.

Salary raises were tentatively voted for teachers and other employees of the school, and Hill was authorized to prepare all details in regard to salaries for full decision at the board meeting in May.

Resolutions calculated to attract more college students to the teaching field, and submitted by California Teachers' Association were read to the board and received its approval. Members of

the board expressed the opinion that teaching is attractive, and in addition to other advantages teachers have the security of annual contracts and the pleasure of long summer vacations.

Communications from various groups asking permission to use the high school playgrounds out of school hours for recreation projects were presented to the board by Hill. He was empowered to grant permits at his discretion.

Campfire Girls Plan Party

As part of the requirements of Camp Fire the girls must give a party. Mrs. William Henley's group is pleased with the novel invitations written for their first party to be given at the Congregational Church. They read: It's a party Ocowasin will give

That you won't want to miss as surely as you live. Guests are our sponsoring body, Our parents and our Dottie. The songs, handcraft, and memory work Are something fine we do not shirk. Refreshments too, we plan to have In line, cookies, candy and beverages on which to dine. April 19th at 7:30 p.m. is the date. Please, mother, come and bring your mate.
